This is the 24th edition of the "Living in Cayuga County Community Directory", a joint collaboration with The Citizen and The Human Services Coalition of Cayuga County, Inc. The printing and the publication of the directory would not be possible without The Citizen's involvement and donation of services. We hope that this directory will be helpful to you and others throughout the year. ~ Cordially, Nancy Sumner, Coordinating Council Chairperson.

Contents were provided by the Human Services Coalition of Cayuga County, Inc. (HSC). The HSC is a voluntary group of agencies, providers, citizens and officials who share a common goal of making sure there are adequate and accessible human services in the county to meet people's needs. HSC is supported in this effort by Auburn Planning & Economic Development Office and HSC membership. If there are any questions regarding content, please contact the Human Services Coalition at admin@human-services.org. Organizations and programs that are members of the Human Services Coalition are identified with a small HSC logo. Coalition membership does not imply any type of endorsement for an organization or its services; rather membership affirms their support for communication, collaboration and coordinating to meet community needs. Julie Dale - Executive Director

Donna Clark - Community Development Manager

**Mission:** To build girls of courage, confidence, and character, who make the world a better place. **Services:** At Girl Scouts, your girl will prepare for a lifetime of leadership, success, and adventure in a safe, no-limits place designed for and by girls! How? Through the Girl Scout Leadership Experience — a collection of engaging, challenging, and fun activities like earning badges, going on awesome trips, selling cookies, exploring science, getting outdoors, and doing community service projects.

At Girl Scouts, she'll get to lead her own adventure (it's her world!) and team up with other girls in an all-girl environment to choose the exciting, hands-on activities that interest her most. The idea is to learn by doing, and at Girl Scouts, she'll do lots of it. She'll be inspired to discover her talents and passions in a safe and supportive all-girl setting. She'll join with other Girl Scouts and people in her community — and together, they'll take action to change the world. Along the way, she'll gain important skills in four areas that form the foundation of the Girl Scout Leadership Experience: Science, technology, engineering, and math (STEM) Outdoors Life Skills Entrepreneurship While she may be exposed to these subjects at school, in other youth programs, or even on her own, at Girl Scouts she'll experience them in a unique way that puts her on a path to a lifetime of leadership, adventure, and success.

And because our program is girl-led, girls decide what they'll do, together in a safe, no-limits place designed for and by girls! The Result? A Lifetime of Leadership!

**Annual Membership:** \$25.00 - Financial assistance available. As volunteer, you'll introduce girls to new experiences that show them they're capable of more. You'll be their cheerleader, guide, and mentor, helping them develop skills and confidence that will last a lifetime.

**Volunteer Opportunities:** Troop/Group Leader, Service Team Members, Program Consultants and Adult Learning facilitators are always welcome to join our team.

**Hours:** Monday - Thursday, 8:30am-5:00pm, Friday 8:30am-12:30pm Activities for girls most often take place in the evenings and on weekends.

The County's Veterans Service Agency (VSA) counsels and assists veterans and their dependents in areas such as pension and compensation, health and medical, rehabilitation, educational and life insurance services.

The agency also advocates on behalf of all Cayuga County veterans and their families to ensure they receive the maximum benefits to which they are entitled under federal, state and local law. The VSA actively assists veterans and their families in pursuing claims for burial benefits, disability compensation, pension benefits, real property tax exemptions and other benefits.

# The Easiest Place *For Kids* to Get Beer

**is right next to the milk.**

One of the easiest places for kids to get alcohol is in your own kitchen.

Take stock of your supply. No one can drink too much if they can't get it.

**Keep alcohol out of

# BUILDING SOMETHING BIGGER

We figured out early on that our success comes from the strength of the communities where we live and work. So for nearly 50 years, Nucor has focused on giving back to those communities by investing in local schools, partnering with charitable organizations, and sponsoring culture in our communities.

While the steel we produce may go into some big projects, we are proud to know that our work is also helping to build something bigger.
